ARTICLE III – Organization

Board of Directors

SCOAUG will be led by a Board of five (5) members, who will be elected by the general membership residing in the five state region served by SCOAUG. The Board positions will serve for a term of two years. To ensure continuity of the Board, terms will be staggered -- only three seats will be open for election one year and the other two seats will be open for election the following year.

Each year, the term for all newly elected Board members in excess of 50% of the authorized number of directors will be one (1) year. The determination of the one (1) and two (2) year board terms will be at the discretion of each of the newly

elected Board members and will be chosen by them in order of the number of votes received in the election. Unless earlier removed or resigned from office, each elected Director shall hold office until the expiration of the term for which elected or until a successor has been elected and qualified.

The Board of Directors will serve as the administrative body for the organization. It will consist of the officers of the organization, which include the Chair, Secretary, Treasurer, OAUG Coordinator, and Event Director.

Individuals are elected to the Board, not the companies for whom they work. Furthermore, there cannot be more than 1 active Director from any given company at any given time.

Directors are expected to maintain a vested, career interest in Oracle Applications throughout their term of service. If their career objectives change such that there is no longer a vested interest in Oracle Applications, or if a conflict of interest arises, the Director is expected to resign from the position.

Board Candidate Eligibility

Any registered SCO AUG member who resides, or works, in the five state SCO AUG region, and is also an OAUG member in good standing, is eligible to hold a Board position. Employees of Oracle Corporation are not eligible to hold a Board position.

A Director may be removed from the Board by a unanimous resolution of the other four (4) Directors.

Vacancies on the Board of Directors

At no time will anyone, other than the OAUG Geo/SIG Manager, have access to the returned ballots/votes. All communications related to the elections between any Board member and the OAUG GEO/SIG Manager must copy all Board members.

The Call for Candidates will be sent to all qualified SCO AUG members in early November of each year. Nominations from the membership (along with biographies) for open positions on the Board of Directors shall be submitted and ballots will be issued to all eligible voting members by the end of November. Winners will be announced by the end of December. January and February will serve as a transition period for incoming Directors, to ensure continuity and a successful transition. Until an election is complete and winners are announced, the previous Board members retain their responsibilities and voting rights.

In the event of a tie, the OAUG GEO/SIG Manager will notify the current Board members of the names of the tied candidates. Then, the Board will vote to break the tie. The OAUG GEO/SIG Manager will administer and tally this vote, as well.
